

*From Pastor Moira's Desk...*

My friends, thank you for your prayers, encouragement, support, and patience. As many of you know, I had a challenging end to 2020 and beginning of 2021. Sometime near my birthday I had an occlusion of a vein in my right eye, or in plain words a stroke in one of the small veins in my eye. I thought I had a sinus infection or allergies or something, but it kept not getting better. The week after Christmas I finally gave in and went to the urgent care which led to a trip to the emergency room which led to spending New Year's Eve Eve (the 30th) at two different eye specialists including having my eyes dilated twice in one day, something I do not recommend at all.

Let me be very clear ~ this was not caused by stress or by pastoring, but is likely a complication of among other things, the high blood pressure I have dealt with my entire life. In my mid-20s my doctor and I spent about six months finding the right medications and he said that I would probably have to do this again when I got closer to fifty. So here we are. I have started treatments for my eye with a specialist I very much trust in Green Bay. He says that one in three people have a tremendous return to their eyesight. I have decided to be that one. Already, after just one treatment, I estimate that the vision is about 20% better. The vision in my right eye is what I would call "fuzzy", but eyes and brains are amazing. My left eye is doing a wonderful job of compensating for the things my right eye can't quite focus on yet which is wonderful. I do notice that if I'm looking at the computer for a long time without a break my right eye seems to get tired, but that just means I need to take a break.

So I am back in the office, although I will still take the vacation time that I had planned this month and entrust you to the care of our licensed pastor, Randy Miller on Sunday January 17th. I thank you for your patience, particularly with things like this newsletter which is getting to you much later than I had planned and hoped.

I am deeply grateful for Randy's willingness to step in on very short notice and lead worship on January 3rd so I could rest, and for the support of our entire parish leadership, the Black Creek Council, Trinity Council, and Cecil Consistory. It has been scary, but knowing that your love, prayers, and support surround me has made a tremendous difference. I am grateful that, whatever we might have to face in this life and in the life of the world, we face it together. With all my love ...

*Peace and grace, Pastor Moira*

## January 6, 2021 ~ A Pastoral Word

Friends, Epiphany blessings to you. Today is a day when we, as followers of Jesus, remember the visit of the Magi to the infant Jesus, bearing gifts, and then refusing to go back to King Herod and, as the scriptures say, "returned to their home country by another route". It is a day that reminds us of how fragile the miracle of Jesus' birth can sometimes be. The next thing that happens in the scriptures is that, angered at the Magi's disappearance, Herod orders the slaughter of all the boys under the age of two. The joyous coming of the Prince of Peace to share the abundance of God's love is met with fear and violence by the powers of this world.

Today we have also all seen something happen in Washington, D.C. that has stunned, scared, and overwhelmed us. As the Constitution requires, a joint session of Congress met to certify the results of the Electoral College's votes about the presidential election. There were, as encouraged by the First Amendment, protestors outside the Capitol building on several sides ~ those who were in support of approving the Electoral College's vote for Mr Biden, and those who were against it, supporting Mr Trump. As Congress was meeting, the protests turned violent.

*continues — ->*

Armed terrorists stormed the U.S. Capitol building, breaking windows, breaking into congressional offices, and causing chaos. There are also reports that the terrorists threw things such as flash grenades and tear gas. At this moment, law enforcement has confirmed that one person inside the Capitol building was killed. At this moment (almost 5:30pm, Central time), police from several jurisdictions along with the support of the National Guard are attempting to clear the scene to enforce a district-wide curfew issued by the Washington, D.C. mayor.

Friends, I have chosen the word "terrorist" above very carefully. I don't use it lightly, ever, but terrorism is an act designed to scare, intimidate, and otherwise silence others. The actions taken today were intended to do just this. People within the Capitol building ~ elected officials with whom you may or may not agree, and their staffers who are just people like us ~ were immediately targets of this terror. Others, truly all of us, were targeted by this terror. The people who did this intended to destroy the democratic process. What started as a protest or rally, a hallmark of democracy, turned into something very different, something designed to threaten all of us, and the functioning of our government. They intended to say that if we do not get what we want politically we can simply take it by force. That is not the way democracies function, even if we have tremendous disagreements. That is the work of terrorist states, dictatorships, and other controlling forms of government. We often talk of terrorists coming from overseas, but it can and does also come from within. We have a lot of work to do to figure out how we got to what happened today, but calling it by its true name, acknowledging that this was and is terrorism, is a start. Let us not paint over it with nicer words and maybe in doing so we can face up to the sins that divide us and the challenges ahead of us.

In addition, when you see some of the videos or still photos of events today, you will see some of the terrorists (both outside and inside the breached Capitol building) waving flags saying Jesus and claiming their actions are in keeping with the practice of Jesus. Let me be clear - that is entirely false. Yes, Jesus overturned the tables in the temple in Jerusalem, but that is an extraordinary moment in a life otherwise filled with the quest for peace in our hearts, our lives, and our communities. Over and over again, Jesus spoke of the need to be peace, to work for peace, and that those who live by the sword will die by it. I cannot imagine any way in which the Jesus we try to follow would endorse what happened today.

My friends, what happened today is mired in deep and complicated questions about who we have been, who we are, and who we truly want to be. Please know I am here with you and for you. Let's talk. Let's cry. Let's scream if we need to. Let's renew our commitment to one another as Jesus' community, people who try and fail and try again every day to do what he asked us to do.

My prayer for all of us, for our hearts and souls, for our country and for the world is that we might find a way forward.

Peace and grace, Pastor Moira

## **Year of Giving ~ Diapers & Hygiene**

Looking towards the new year we will be collecting diapers, baby wipes, shampoo, body wash, soap, deodorant, menstrual products, and other hygiene items for the Black Creek Salvation Army, the Loaves & Fishes Food Pantry, and Harbor House Shelter in Appleton. You can bring items to the tables at the front of the sanctuary. If it's hard for you to get out and purchase items, you can also make a monetary donation, or talk to Pastor Moira about other ways to contribute.

### Continuing worship changes because of covid-19

As we continue with in-person worship, we have made changes to our time together for our collective health and safety. Please talk with Pastor Moira if you have questions:

- ♥ **MASKS/FACE COVERINGS ARE REQUIRED (per the Governor's order)**
- ♥ we can sing quietly and with masks on
- ♥ social distancing (6' apart from folks you haven't been with during the pandemic)
- ♥ interior doors will remain open whenever possible;
- ♥ hand sanitizer available at every entrance to each of our sanctuaries;
- ♥ no passing of the peace or fellowship time;
- ♥ communion will be changed to limit physical contact;
- ♥ the offering will be collected in plates at each door rather than passing the plates;
- ♥ contact tracing (attendance) records will be taken;
- ♥ other changes might come as we respond to this ever changing virus pandemic.

Our online worship and print worship delivery continues as well. Let's all be gentle, kind, and compassionate with ourselves and one another as we live through these days.
