

## *From Pastor Moira's Desk... Summertime*

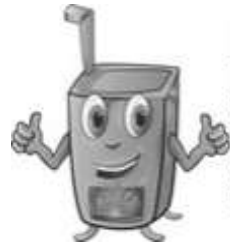

In the summer of 2020 we were all a little anxious. Would our planned celebrations be able to happen and if they did, what would they look like? Would we be able to go on vacation? Would we be able to go anywhere other than the grocery store? Would mask wearing and social distancing last forever? How would the social upheaval that was just starting change us, and what was going to happen with the elections? We were just starting to come back to in-person worship with loads of changes and precautions for the health & safety of our congregations. Plus we were already worrying about the events scheduled for the fall, and how covid would affect everything. Fast forward to the summer of 2021 and it turns out we're all still a little anxious. It's different this time. Almost 50% of Wisconsin residents are vaccinated, and the advice from the Centers for Disease Control (CDC) is that if you're vaccinated, you can go without a mask. But we've become so accustomed to them, and because we haven't reached the 70% community immunity goal it still feels a little overwhelming to be out and about with our faces naked. There might be, if the people who are reaching out to me as their pastor are any indication, more anxiety in this part of life with covid, in the coming out of it, than there was last year. At least then, folks say, we knew what we were supposed to do, what would keep us and our communities healthy, but now it's all just ... well, confusing.

So what do we do? How do we cope with this season in the life of the world, in our own lives? How do we manage the anxiety, confusion, worry, uncertainty and more so that it doesn't consume us? I wonder if the answer doesn't lie in the fact that it's SUMMERTIME? Remember being a kid and counting the days, hours, or minutes until school summer vacation started? Remember the glorious promise of the long summer days that lay ahead, the sound of a baseball making contact with a bat and the ball soaring high over the fences, the smell of hot dogs and burgers on the grill, the dreams of sitting around a fire with your family and friends, of swimming in the pool (or the lake or the river), of lying out on the grass and counting stars or fireflies? We don't all have the opportunity for three glorious months of unstructured time, but there is, even for the busiest and most scheduled among us, time for some summertime, some sabbath rest and renewal this summer. We need to keep being careful about huge gatherings, but we can step slowly back out into some of our pre-pandemic activities (depending on our own health needs and concerns, and our comfort levels). We can sit out on the porch with some lemonade and watch a lazy afternoon go by. We can pick strawberries and enjoy their amazing sweetness with a little ice cream, and maybe sit out and count the stars again. We can celebrate the beauty of the place where we live, the creation entrusted to our care, and breathe deeply in the warming of the earth, the sprouting of the fields, the sunshine on our backs reminding us that after all we have been through we are still here, still together, strong and faithful, committed to God and to one another. I pray that this summertime will bring us all hope, love, and renewal for our souls.

*Peace and grace, Pastor Moira*

## Furnace Fund

Time marches on and the “new” addition is now nearly 20 years old which means so are the boilers that heat the offices, classrooms, bathrooms & gathering room. The furnaces are still working, but it is becoming more difficult to find replacement parts. We are keeping an eye on things and planning for the future replacement of the furnaces, so we have established a furnace fund.

If you have discretionary income or would like to make a memorial gift you can help increase the fund so that when we need to replace the furnaces we are prepared.

Please make checks to the church and put “Furnace Fund” in the memo.

If you have questions, please talk with any member of the Council.

## News From The Church Garden

We had a wonderful first work day on Saturday May 8th.

The old plantings and shrubs were removed (and goodness did they have some amazing spines), and the trees trimmed back. The stones were removed and saved for the future. Trimming and

weeding was also started on the L-shaped beds by the parking at the west entrance. The memorial stones were removed and are now sitting by the side of the building. Amazingly, after sixteen years, only four memorial plaques had come off their stones. Those have been cleaned and it looks like we will have to replace two that are damaged. Since then, the stones have been washed to help them look new, and the stepping stones from the parking lot are in the process of being lifted up and re-leveled. Our next steps include planting! We are in the process of receiving some donated hostas, lilies, and other plants to put in the garden as well as some new plants that will be given in Michelle Arnold’s memory. The memorial plaques will also all be cleaned and given a clear coating to protect them. Eventually we also want to put new stone on the portion of the garden where the benches will be, and at some point we would like to put new edging around the garden, but that and intense work on the L-beds may be a project for 2022.

**Next work day ~ Saturday June 12th starting about 8:30am**

## Women's Guild Minutes

The Women's Guild met on Wednesday May 5, 2021 at 1:30pm with 10 members present.

Our devotional leader was Roberta Lorenz. She shared Memorial Day pictures of many beautiful cemeteries from France, England, Italy, Belgium, Luxemburg, and the Netherlands where US soldiers are buried. They are all very well maintained with God's guidance and love. It takes many loving hearts and hands to keep the memory of these soldiers alive. She shared stories about how God is present in many lives and how we all have talents and should be strong in using them. Together we can work on many valuable ideas.

The business meeting was called to order by President Roberta Lorenz. The secretary and treasurer's reports were read and approved with a balance of \$7363.43 in the general fund and \$497.98 in the memorial fund. Donna stated that the bill for palms for Palm Sunday has been paid. The rummage sale was discussed. We are in need of new signs. A motion was made to order 3 signs for \$179.07. The motion passed. Posters are being prepared for advertising. Plans are in order to set up tables after church on Sunday June 6th. Donna volunteered to get cash for the rummage sale. A sign-up sheet with days and hours for workers will be available.

It was voted not to have the ice cream social this year, but the Fall Feast is in the plans with carry out and maybe dine-in. Watch for more information. We are glad to hear that Marian Goodwin is home recuperating. Lots of planting ideas are in the works for the prayer garden. There is still some work to do on the bricking, tuckpointing, and flashing for the steeple area.

We closed with the Lord's Prayer in Unison. The offering was taken and we sang the doxology. We were then served a delicious lime jello cake by hostess Jan Rohloff.

Our next meeting will be held on Wednesday June 2, 2021 at 1:30pm with Audrey Blake on devotions and Roberta Lorenz as hostess. Come and join us. God bless all.

## **Year of Giving ~ Socks & Underwear**

Kids grow, and they grow fast. Almost overnight they'll change sizes and it's sometimes difficult to keep up. Imagine being a parent who can't afford to provide new socks and underwear for their children. Imagine being a child who doesn't have those items we take for granted. And grown ups need help with these clothing essentials too. The biggest need at the Black Creek Salvation Army is for socks & underwear for youth, particularly for boys. Let's see if we can fill the shelves to bursting with new socks & underwear for kids & adults in need so that everyone has the opportunity to wear their own holes in their socks! You can also look for the donation envelopes at the front of church (make checks payable to the church with "socks & undies" in the memo line).

## Mandatory 10 Digit Dialing

Due to changes implemented by the Federal Communications Commission, ten digit dialing (area code + phone number) becomes mandatory on October 24th, but they are encouraging you to start getting used to the change now. It's also important to check that anything you have that auto dials like medical monitors, alarm systems, and internet connections are converted to ten digit dialing. Long distance calls from land line phones continue to be 1 + area code + phone number and emergency services continue as before.
