

From Pastor Moira's Desk...

I'm writing from New Mexico on a trip I definitely hadn't planned to make. My dad fell on August 24th, and while the fall didn't do much damage it did result in him being hospitalized for a pre-existing intestinal bleed. He went in with a hemoglobin of about 6 while his normal reading is about 13. He had several procedures that were risky because of the infection, the inflammation of his colon, and his overall weakness. He also received several units of blood. He was discharged from hospital and is now in the nursing care & rehab unit at the senior living facility where he has an apartment. He came through all of that, but he is still very weak, and it will take a long time for him to regain his strength, and to see how much independence he can achieve. I am deeply grateful for your prayers, your patience, and your understanding. I will come back later in the month on a planned trip (22-29) that will allow me to help with whatever the next steps are for him.

In order to get you some calendar and other information in a timely manner, this is a brief newsletter, combining information for all three of our churches. Anything that is usually in the newsletter, that you don't find here, will be included in the October editions.

Again, thank you for your patience and understanding.

Peace and grace, Pastor Moira

Hamburger Helper

"When I was hungry you fed me. (Matthew 25.35)

Hamburger helper (and tuna & chicken) are a great way to help our pantry families stretch their proteins, feeding their families better.

Any variety is good, and it never has to be name brand & remember, you can always make a monetary contribution with

"food pantry" in the memo.
